Roof Glazing Bar System

Roof glazing has always been a challenging task; rewarding if it goes well and expensive if it doesn't. ALUKAP®-XR puts paid to uncertainty. With a proven gasket system, concealed fixings and reduced installation time, it's an all-round winner.

With no plastic components, superior waterproofing and neat aesthetics, ALUKAP®-XR's excellent performance makes it suitable for a huge variety of applications.

Available in two bar widths, plus a range of specialized bars to match, all with quality aluminum end caps, ALUKAP®-XR provides the ultimate roof glazing solution for even the worst weather.
