

# Safety Don't take the risk

## Locit Range of Safety & Security Products for Windows and Doors.

Even though your windows maybe fitted with a restrictor system, people often interfere and by-pass the device posing a risk to you and more importantly their safety.

Locit cable restrictors offer a robust and tamper-proof solution, giving you peace-of-mind that your staff, guests or residents are protected.

Locit cable restrictors fit directly to your existing windows or doors, providing ultimate protection by preventing non-key holders opening fully a door or window.

Locit cable restrictor not only helps prevent the risk of falling, they increase security from anyone trying to gain access from outside.
